

Tami Grommes MA Skin Care Specialist

Peels & Specialty Facials

Blue Peel- Physician **60-90min** **starts at \$650.00**

A doctor controlled depth deep chemical peel for those who wish extreme results. Using a low concentration of trichloroacetic acid (TCA) mixed with a special blue base to slow penetration; the peel allows the Doctor to monitor the appropriate depth to effectively remove the thin surface layers of aged damaged skin. 7-10 day down time. Pretreatment with OBAGI products required.

Baby Boomer Peel **45min.** **\$125.00**

An anti-aging treatment for most skin types using salicylic acid. This mild peel aids in rejuvenating the skin by hastening the removal of dead cells. Progressive treatments are required prior to this peel.

The Layer Peel **45min.** **\$100.00**

A mid-depth treatment using TCA and AHA's in which we can apply one to four layers depending on the correction needed. Minimal down time required.

Vitamin A Peel **45min.** **\$100.00**

"No Burn no down time" peel that is extremely effective in treating sun induced wrinkles and pigmentation by increasing cell turnover resulting in smoother, silkier skin. May experience mild exfoliating for approximately 3-4 days. 4 sessions 2-3 weeks apart for optimal results. Several Retinol peels may be = to a year's use of Retin-A! This peel may be applied as the top layer to any of our treatments.

Antioxidant Fruit Enzyme **\$75.00**

This peel is potent, anti-aging and rich in antioxidants that fight against free radical damage while aiding in building healthy skin tissue. This Fruit enzyme is an exfoliant, anti-inflammatory and a humectant. It is a progressive treatment to prepare the skin for an acid treatment.

Dermaplaning **30min.** **\$60.00**

Dermaplaning helps to "refinish" the skin's top layers through a method of controlled surgical scraping. This procedure gives skin a smoother, brighter appearance. Performed prior to other treatments enhances results.

Apple Wine Peel **45min** **\$100.00**

A natural blend of firming and toning acids taken from red wine and apples and combined with an application of our regenerating overnight Vitamin A Peel." (Includes post peel product)

Vi PEEL (No pretreatment req) **30min** **\$300**

Superior results for Anti-Aging. This peel is virtually painless. No skin preparation products needed and minimal down time is required. Enjoy more beautiful skin in about one week! Post peel products are recommended to continue to refine and improve skin's appearance in between Vi Peel treatments.

VITALIZE PEEL **45min** **\$125**

Benefits of Alpha Hydroxy and other peeling agents in a unique blend to provide a strong, but gentle treatment that is appropriate for all skin types. Reduces the visible signs of aging. Skin texture and tone are improved and fine lines are lessened. Dramatic results are achieved with a series of peels. 6 for \$600
